## CONFIDENCE GUARANTEED AS WE GET BACK TO WORK

The NSW Government has committed to provide a Summer Holiday Stock Guarantee for Small and Medium Enterprises (SMEs).

Small and medium business owners will be able to open with confidence thanks to a suite of support measures from the NSW Government, as part of the Economic Recovery Strategy.

Under the SME Summer Holiday Stock Guarantee, eligible businesses with an annual turnover between \$75,000 and \$50 million will be able to apply for a grant of up to \$20,000 to compensate for loss of perishable stock, or claim \$10,000 for reduced capacity to sell non-perishable items if a local lockdown occurs and they are impacted.

The expanded Small Business Fees and Charges Rebate will be eligible for use until 30 June 2022.

More details will follow when they become available.
